

TUESDAY'S ELECTION.

The election in Webster county Tuesday was closely contested from the opening to the close of the polls and resulted in victories by both the Democrats and Republicans, the Democrats electing their candidates for Representative, Sheriff, Treasurer, Auditor and Judge of the county court from the Eastern district, while the Republican candidates for Collector, Prosecutor, Attorney, Coroner and Judge of the county court from the western district, were elected, the latter getting in only by the "skin of his teeth," he having only one majority—a reduction of 100 over that of two years ago. Hard work was done on both sides but the list of feeling prevailed throughout the day. Only the total vote of the candidates for President and the Governor and other state officers are given, but the vote of the county candidates are given by township.
