Primary Election Returns.

We give below the official total number of votes cast in the primary election held Tuesday, August 2nd, 1910, for each candidate on their respective tickets.
We also give the vote cast for persons whose names were not on the ticket and who had not filed a declaration according to law. These votes cast will have no effect as far as the law is concerned in placing names on the tickets for the general election. These vacancies must be filled by the respective committees of the party on whose ticket the vacancy occurs.
The total official vote polled it will be readily seen is only about fifty per cent of the number of voters in the county.

Many Picnics.

Picnics seem to be the order of the day, Last Thursday a family picnic was held at Bell Springs by the families of W. H. Moore, G. W. Moore, Milburn Harryman, C. C. Hamilton, R. S. Phillips and R. H. Moore. Last Friday the Odd Fellows and Rebekahs in a goodly number spent a very pleasant day at the same place. The Methodist Sunday School is holding their annual picnic today on the Niangua, North west of this city. The South Methodists planned for their annual picnic for last Tuesday, but postponed it until tomorrow on account of the inclement weather. They will meet at Patterson's Mill site.
A Daniel Boone picnic is advertised to be held at High Prairie next Saturday.
