### QUESTION

Shall the Board of Education of Fordland R-III School District be authorized to increase the operating tax levy ceiling to $3.2465 per $100 of assessed valuation according to the 2023 assessment for operating, maintaining and staffing school facilities?

If this question is approved, the operating tax levy of the District is estimated to increase by $0.28 per $100 or assessed valuation, and the District expects to make a corresponding reduction to its debt service tax levy in the same amount resulting in the estimated overall tax levy or the District to remain unchanged.

- YES
- NO
Shall Marshfield R-1 School District issue its general obligation bonds in the amount of $10,000,000, estimated to result in no increase to the District's debt service property tax levy, for the purpose of acquiring, constructing, improving, repairing, renovating, furnishing and equipping school facilities, including constructing a storm shelter at the East campus and expanding the agriculture department shop?

If this question is approved, the District's debt service property tax levy is estimated to remain unchanged at $0.60 per $100 of assessed valuation of real and personal property.
